Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Mescalero Apache Head Start Center in fiscal year 2024. The entity to receive funding for this project is Mescalero Apache Tribe, located at 108 Central Avenue, Mescalero, NM 88340.

The funding would be used for design and build the Mescalero Apache Head Start Center.. The project is an appropriate use of taxpayer funds because the community will benefit by having a new Head Start Center that can accommodate more children in the program, and allow the Head Start Program to provide more openings for the Head Start program.

The project has a Federal nexus because the funding provided is for purposes authorized by This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Melanie Stansbury
Member of Congress
